Below the tabs, there is a note with a document icon: 'Click on each tab displayed on this page to view your financial aid award details for this aid year. If you have questions regarding your Financial Aid Office.' The main content area contains two paragraphs. The first paragraph reads: 'Please read the [Terms of Financial Aid Offer](#) for disbursement dates and other important information. Return the [Title IV Authorization](#) if one previously or wish to change your previous selection. The [Satisfactory Academic Progress Policy](#) states the academic standards required for eligibility. Being offered these awards does not indicate you have met the satisfactory academic progress standards of the Financial Aid Office separately if you need to appeal or check your SAP status under academic progress.' The second paragraph reads: 'Most awards listed on the Award Overview are based on full-time status. Your awards may be increased or decreased depending on your awards and resources cannot exceed your cost of attendance or your financial need. Awards may be adjusted to account for additional student loans and wish to apply for one, please refer to the steps on the website under [Loans for Students](#). Parents interested in parent website under [Loans for Parents](#) for application instructions.'

Click on the Award Overview Tab to view the need calculation including cost of attendance, estimated family contribution, outside resources and need. Financial aid awards are listed here by type, amount and semester.
